

AETERNITAS press release - June 2021

Genre: symphonic metal

AETERNITAS introduce new female singer: Miss ScarRed

The incredible German metal lady Miss ScarRed completes the new AETERNITAS line-up.

With her amazing rock voice and her astonishing stage performances AETERNITAS are very well prepared for the post-pandemic gigs-to-come and future album productions.

AETERNITAS statement:

“We’re delighted and also very proud to announce Miss ScarRed as our new female singer. We believe that her strong voice – in combination with Alex – will take us to a new level of powerful voices in Symphonic Metal”

AETERNITAS are preparing a Facebook Q&A live session on Saturday 24th July 2021 to introduce Miss ScarRed officially to the fans. Additionally, this live stream shall also feature Alex and Miss ScarRed, performing acoustic versions from a selection of AETERNITAS songs.

Finally, AETERNITAS can also share that a brand-new song is in preparation! This new single “Shadows” will be released in Autumn 2021, with an extraordinary vocal performance from Miss ScarRed.
